DESIGN & CONSTRUCTION GUIDELINES

The Promoter has conceived, planned, and developed the Project in accordance with a Neo-Classical architectural theme. In order to preserve architectural uniformity, aesthetic consistency, and the overall value of the Project, each Allottee at Vacation Village, Chikkamagaluru shall strictly comply with the following terms and conditions:

1. **Architectural Design and Floor Plan:** The Allottee shall strictly adhere to and maintain the elevation, façade treatment, layout, and floor plan as prescribed by the Promoter in the architecture plan. No deviation, modification, or alteration shall be permitted without the prior written consent of the Promoter.
 2. **Boundary Wall:** The boundary wall of the plot shall be demarcated and constructed exclusively by the Promoter or its authorized contractor. The cost of such construction shall be payable by the Allottee in accordance with the payment plan and shall not be undertaken independently by the Allottee.
 3. **Common Area Landscaping:** The Allottee shall not alter, remove, modify, or interfere with any landscaping elements, landscape pockets, green buffers, or open spaces situated within the common areas of the Project.
-

DESIGN & CONSTRUCTION GUIDELINES

4. Permissible Construction, Floors, and Built-Up Area: The Allottee shall strictly adhere to the permissible built-up area, number of floors, and construction parameters specified in the architecture plan, based on the plot size allotted. Construction in excess of or deviation from the prescribed limits is expressly prohibited. The permissible construction parameters are as follows:

- Type A: Cozy Retreat: Plot Size: 1200 sq. ft.
 - Unit Type: Single Suite Cottage
 - Permitted Construction: Ground Floor only

 - Type B: Family Home: Plot Size: 1500 sq. ft.
 - Unit Type: 2 BHK
 - Permitted Construction: Ground + First Floor

 - Type C: Family Home Grande: Plot Size: 1800 sq. ft. and above
 - Unit Type: 3 BHK
 - Permitted Construction: Ground + First Floor
-

DESIGN & CONSTRUCTION GUIDELINES

5. Interior Design: The Allottee shall be entitled to design and customise the interior layout, finishes, and fittings as per personal requirements, provided that such modifications do not impact:

- the external elevation,
- the structural design,
- load-bearing elements, or
- any provisions of the architecture plan.

6. External Design and Façade Control: The Allottee shall strictly maintain the external elevation, windows, balconies, façade treatment, wall colours, materials, and all outward-facing architectural elements exactly as specified by the Promoter in the architecture plan. No external changes shall be permitted under any circumstances.

7. Floor-to-Ceiling Height: The Allottee shall maintain a uniform floor-to-ceiling height of 12 feet throughout the constructed structure, without exception.

8. Railing Design: All external railings, balconies, and parapets shall be constructed strictly in accordance with the designs, specifications, and materials indicated in the architecture plan for the applicable unit type.

DESIGN & CONSTRUCTION GUIDELINES

9. Mode of Construction: The Allottee shall be permitted to carry out construction either:

- through a contractor appointed independently by the Allottee, or
- through the Promoter or the Promoter's nominated contractor.

In either case, all construction shall be subject to:

- prior review and approval by the Promoter,
- strict compliance with the architecture plan, and
- adherence to all applicable laws, approvals, and Project guidelines.

10. Approvals and Monitoring: All construction drawings, timelines, and material specifications shall be submitted to the Promoter before commencement of construction. The Promoter shall have the right to inspect the construction at any stage to ensure compliance with the architecture plan.

11. Liability and Indemnity: Where construction is undertaken through a contractor appointed by the Allottee, the Allottee shall be solely responsible for:

DESIGN & CONSTRUCTION GUIDELINES

- Construction Quality
- Safety of labour and site,
- Statutory compliances, and
- Any defects, damages, or violations.

The Allottee hereby agrees to indemnify and hold harmless the Promoter from any claims, losses, penalties, or liabilities arising out of or in connection with such construction.

12. Non-Compliance and Rectification: In the event of any deviation from the architecture plan or these terms, the Promoter shall have the right to:

- require rectification at the Allottee's cost, and/or
- take corrective action and recover expenses from the Allottee, without prejudice to other legal remedies.

13. Binding Nature: These terms and conditions shall be binding on the Allottee, successors, transferees, and assigns and shall form an integral part of the Sale Agreement and/or Construction Agreement
